Greetings from the Editorial Team of Stmarysmagz!

We are proud to bring you the first edition of our E-magazine.

The best of articles, poems and reviews have been chosen for this issue.

It is thereby declared that each and every contribution to the magazine is an original work of the students of this institution and references to the same have been provided.

This edition was a lot of fun to work on owing to the variety of content that we had received. We expect to bring even better versions of this magazine in the future.

Any feedback and suggestions can be mailed to us at: [stmarysmagz@gmail.com](mailto:stmarysmagz@gmail.com)

# **WOMEN OF THE WORLD**

Today belongs to a person who  
empowers the nation .  
A human who is the reason  
behind all the wonders,  
A gift that only God can present .  
Today belongs to a daughter who  
always brings lawels to her  
family,  
A sibling who take care of others ,  
A child who inspire the nature.  
Today belongs to a wife who sees  
nothing but sacrifice and well  
being of her family ,  
A mother who risks everything for  
her child,  
And finally to a women without  
whom this world wouldn't exist.

**THE STRONGEST ACTIONS FOR  
A WOMAN IS TO LOVE HERSELF, BE  
HERSELF AND SHINE AMONGST  
THOSE WHO NEVER BELIEVED SHE  
COULD.”**

# **THEN 'N' NOW**

Some days its so easy to leap  
and reach every faraway dream in  
the blue sky.

Other days it's so hard to picture  
even lifting my right leg out of  
bed to meet the left on the cold  
cold floor .

Some days as someone prone to  
high highs and low lows just  
wanted to validate those feelings  
and give a remainder to be  
patient with ourselves and  
others ,especially in these  
uncertain times.

Feeling deeply is one of the most  
beautiful parts of being  
human, and its a powerful thing to  
learn, how to embrace and  
celebrate the spectrum of  
emotions.

**RATHER THAN TRYING  
TO AVOID OR BLOCK,  
FLATTER THE CURVE FOR  
INFECTIONS, NOT EMOTIONS**

# CULTURE

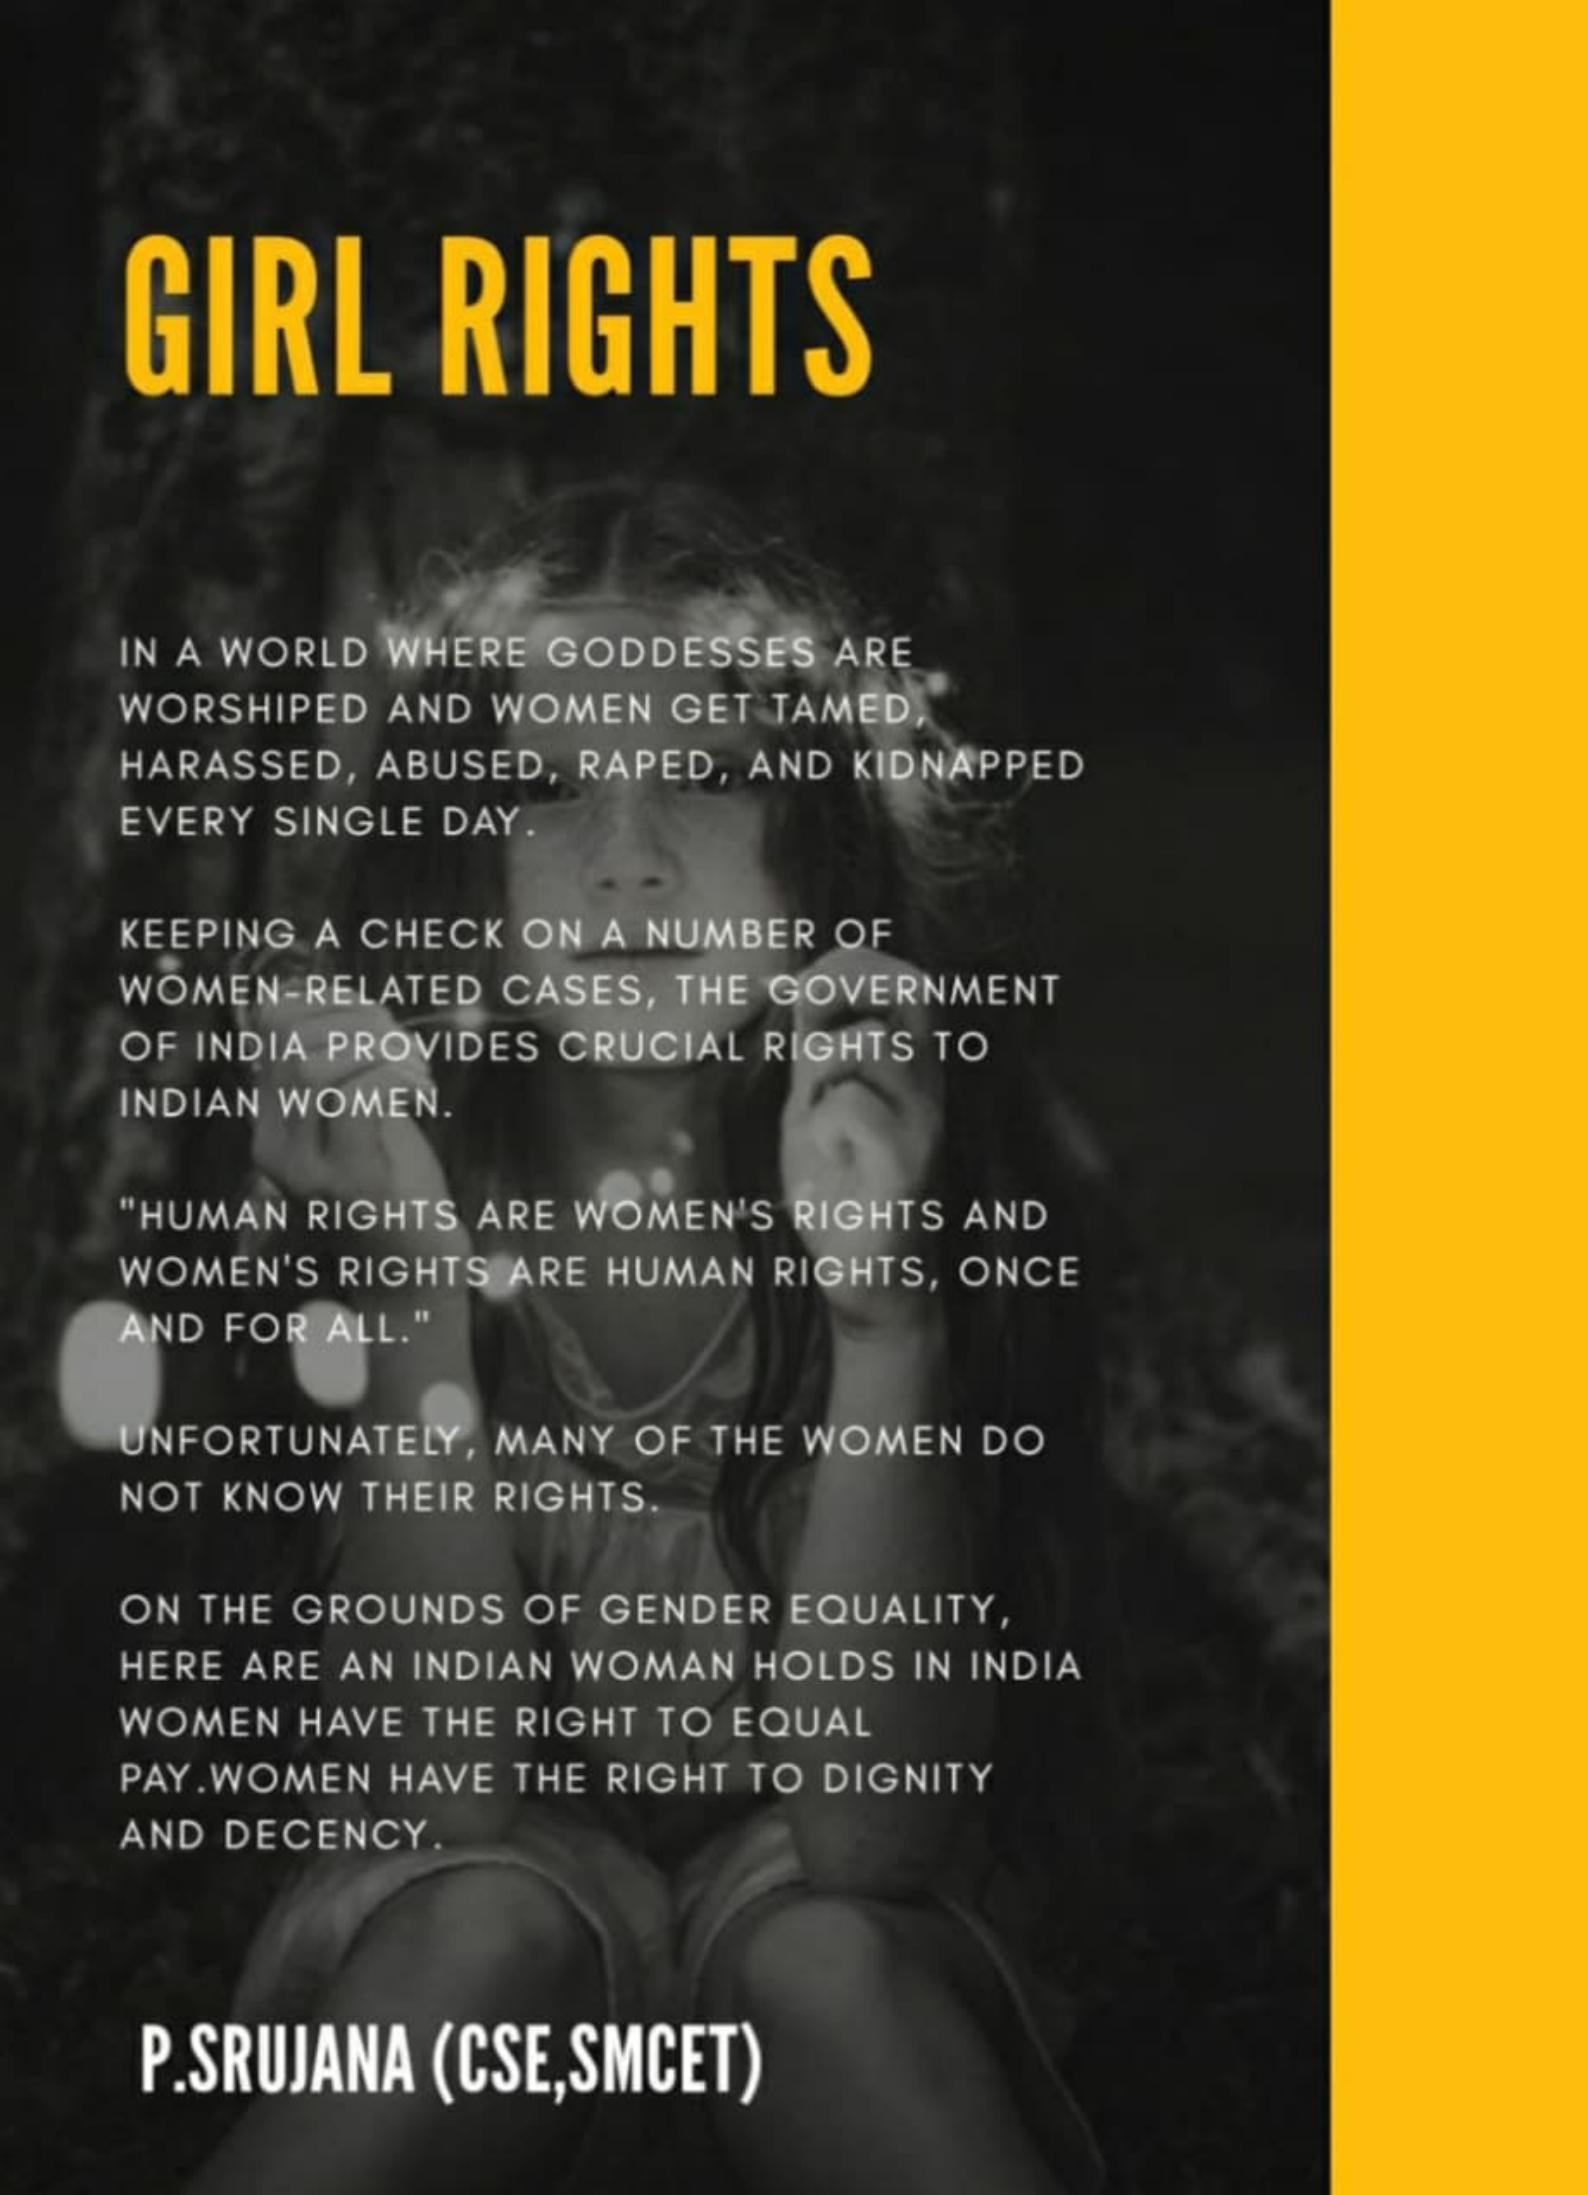

Culture is considered a central concept in anthropology, encompassing the range of phenomena that are transmitted through social learning in human societies. Cultural universals are found in all human societies; these include expressive forms like art, music, dance, ritual, religion and technology like tool usage, cooking, shelter, and clothing. The concept of material culture covers the physical expression of culture, such as technology, architecture and art, whereas the immaterial aspects of culture such as principles of social organization (including practices of political organization and social institutions), mythology, philosophy, literature and science comprise the intangible culture heritage of society. In the humanities, one sense of culture as an attribute of the individual has been the degree to which they have cultivated a particular level of sophistication in the arts, sciences, education, or manners. The level of cultural sophistication has also sometimes been used to distinguish civilizations from less complex societies. Such hierarchical perspectives on culture are also found in class based distinctions between a high culture of the social elite and a low culture, popular culture, or folk culture of the lower classes, distinguished by the stratified access to cultural capital. In common parlance, culture is often used to refer specifically to the symbolic markers used by ethnic groups to distinguish themselves.

# FRIENDSHIP GOALS

What would we do without friends? The thought itself invokes sadness so profound that I find myself dumbstruck, friends are a breath of fresh air in the sheltered life that we lead with our families. In fact, our comrades become family outside the four walls of our homes. They say the situation and circumstances that a person faces in the life make up who he./she is , but friends play a parameter role it too. People can tell a lot about you by observing the friends you hang out with. Although the ability to change lies within you, the people you surround yourself with have influence on the decision you make. Whether you like it or not , your allies thought process seeps into your own. Surrounding yourself with positive influence assists you in making good decisions whereas negative people can tend to make you think that the wrong decision might not be so bad after all. A true friends help you to differentiate between what's right and what's wrong to the best of his/her ability. Friends lessen your misery and amplified elation. So what are the friendship goal ? we see these two words a lot, mostly on the social media, but what do they actually refer to? basically, friendship goals in my opinion are strong points or instances that reflect a strong and healthy relationship with your friend, whose presence is ideal in any friendship. Some times when two best friends wear the similar outfit it represents the concurrency of thinking in both of them, representing their bond. In my opinion, there is no such things As an ideal friendship because like love it can be shown in many different ways. It's the smallest things that count. The person who has your back no matter what and helps you make the right decision and at the same time helps you to stand strong and overcome a bad one is a true friend. In this case you both will be in friendship goals!!

# GIRL RIGHTS

IN A WORLD WHERE GODDESSES ARE WORSHIPED AND WOMEN GET TAMED, HARASSED, ABUSED, RAPED, AND KIDNAPPED EVERY SINGLE DAY.

KEEPING A CHECK ON A NUMBER OF WOMEN-RELATED CASES, THE GOVERNMENT OF INDIA PROVIDES CRUCIAL RIGHTS TO INDIAN WOMEN.

"HUMAN RIGHTS ARE WOMEN'S RIGHTS AND WOMEN'S RIGHTS ARE HUMAN RIGHTS, ONCE AND FOR ALL."

UNFORTUNATELY, MANY OF THE WOMEN DO NOT KNOW THEIR RIGHTS.

ON THE GROUNDS OF GENDER EQUALITY, HERE ARE AN INDIAN WOMAN HOLDS IN INDIA WOMEN HAVE THE RIGHT TO EQUAL PAY. WOMEN HAVE THE RIGHT TO DIGNITY AND DECENCY.

# HAVING TWO FRIENDS

A STORY TELLS THAT TWO FRIENDS WERE WALKING THROUGH THE DESERT. DURING SOME POINT OF THE JOURNEY THEY HAD AN ARGUMENT, AND ONE FRIEND SLAPPED THE OTHER ONE IN THE FACE.

THE ONE WHO GOT SLAPPED WAS HURT, BUT WITHOUT SAYING ANYTHING, WROTE IN THE SAND "TODAY MY BEST FRIEND SLAPPED ME IN THE FACE".

THEY KEPT ON WALKING UNTIL THEY FOUND AN OASIS, WHERE THEY DECIDED TO TAKE A BATH. THE ONE WHO HAD BEEN SLAPPED GOT STUCK IN THE MIRE AND STARTED DROWNING, BUT THE FRIEND SAVED HIM. AFTER HE RECOVERED FROM THE NEAR DROWNING, HE WROTE ON A STONE "TODAY MY BEST FRIEND SAVED MY LIFE".

THE FRIEND WHO HAD SLAPPED AND SAVED HIS BEST FRIEND ASKED HIM, "AFTER I HURT YOU, YOU WROTE IN THE SAND AND NOW, YOU WRITE ON A STONE, WHY?" THE OTHER FRIEND REPLIED "WHEN SOMEONE HURTS US WE SHOULD WRITE IT DOWN IN SAND WHERE WINDS OF FORGIVENESS CAN ERASE IT AWAY. BUT, WHEN SOMEONE DOES SOMETHING GOOD FOR US, WE MUST ENGRAVE IT IN STONE WHERE NO WIND CAN EVER ERASE IT."

**MORAL : DO NOT VALUE THE THINGS YOU HAVE IN YOUR LIFE. BUT VALUE WHO YOU HAVE IN YOUR LIFE.**

# AI does not mean Robot Uprising!!

One of the many things we take for granted today is the existence and the importance of Artificial Intelligence, AKA, AI. It exists in myriad of things ranging from Ad-personalization, to the Device Assistant you might use to ask a question( Google Assistant, Siri, or maybe even Alexa ). Most people do not even think about the ways in which AI help them. Those that know what

AI is, are the majority of the opinion that the very propagation of AI development would eventually lead to a world dominated by Machines, led by the Artificial Intelligence. That the Machines would rule over all humans. Such ideas are fueled even more by Movies and Fiction Novels. The Reality couldn't be any further from that.

Let's start from the very basic and see just how much threat AI is to us. For those who are uninitiated, Artificial Intelligence is any software or a system that can mimic Human Behaviour, be it for a specific set of actions or in a specific field.

Those who have AI-phobia must be taught that there is not just ONE kind of AI. There are in fact, three kinds of AI.

Narrow, General and Super AI.

## Narrow AI

The Narrow AI is an AI that is super-intelligent, and possibly even more than humans but in some cases, or only in specific fields or the things that it is programmed to do. Like an AI designed to play chess, will only know how to play chess. It might even beat a chess grandmaster, but it cannot drive a car, or write poetry or plan an attack on humanity. (It's not SKYNET.) It can only do the task it is programmed to do, which is usually limited to a very narrow region of work like monotonous work. Hence, the name Narrow AI.

### General AI

The General AI is an AI that can mimic behaviour that is very similar to human behaviour. Such an AI would be able to think, decide solutions to problems in a similar fashion to how humans would. It would be able to pass the Turing Test as well, being able to hold conversations with a human without giving away that it is not a human. It is possible that such an AI would go rogue, but highly unlikely, as it still cannot think at a higher level than a human.

In case you are wondering, then yes, the robot 'Chitti' from the movie Robot and its sequel, 2.0 is a General AI. It can think like a human or slightly more, but not too much.

### Super AI

The Super AI is the one that is featured in movies and novels. This would be the super scary AI, as it can think almost a million times faster than a regular human and is many magnitudes smarter than us. We cannot even hope to control such an existence, as it can be compared to some bacteria trying to hold you captive in some sort of prison they made. We aren't concerned about the size of the bacteria right now, but just compare the intelligence. What does a bacteria even hope to plan to capture someone as advanced as you? Nothing. Such is the case with between us and an ASI (Artificial Super Intelligence).

The SKYNET from the Terminator franchise was an ASI.

Now that we know what an AI truly, we proceed to the next thing.

Are they dangerous to us? Is creating an AI a path that leads only to Humanity's destruction?

So far, we only have been successful in creating Narrow AI and even the General AI seems a very far-fetched idea. We couldn't even properly teach self-driving cars how to drive properly or to make correct decisions in real time. Why you may ask?

Because to create something, we have to know what we are creating and how it will work. Even for General AI, we would need to understand HOW THE HUMAN BRAIN works. Currently, we don't. We don't even know why do humans think the way we do. Why and how do we get inspiration? How can a poet write poetry that is so great, or an artist draw something so beautiful. We still don't know. Until we do, there is no hope for General AI, let alone Super AI. So, there shouldn't be any worry as of now. People should enjoy the technology whole-heartedly, basking in the glory of what we have created as of now. Without having to worry about a Machine Overlord controlling them!

# TRUE FRIENDSHIP

A true friendship doesn't read friend with rich or poor ,background looks doesn't matter to choose a friend.

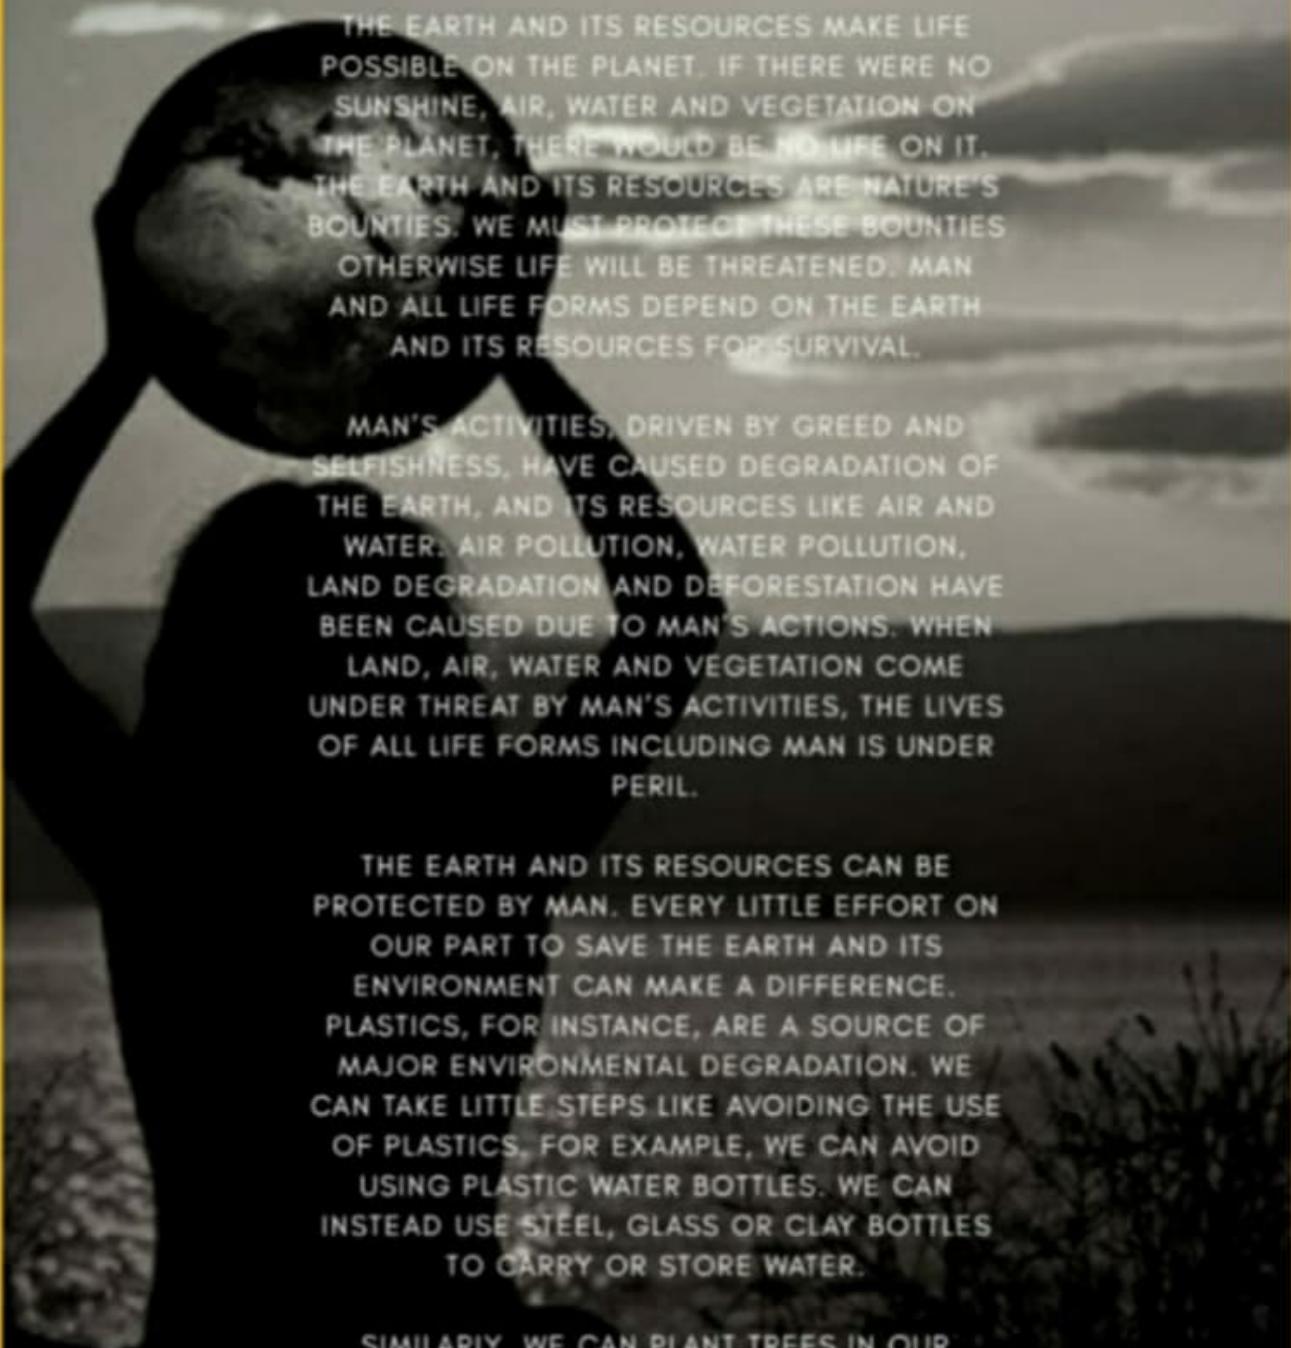

A true friendship lasts long ,in happiness and sorrows. Never leave a true friend. If you have a true friend you are lucky,because when you are in sorrow's they'll help you and feel your pain .

When you are in happiness,they'll help you to be more happy . A true friend always makes you happy. In true friendship you will have best memories in every moment.  
So, never leave a true friend.

MILLIONS OF MEMORIES,  
THOUSANDS OF JOKES,  
HUNDREDS OF SECRETS,  
JUST ONE TRUE FRIEND

# SAVE EARTH

THE EARTH AND ITS RESOURCES MAKE LIFE POSSIBLE ON THE PLANET. IF THERE WERE NO SUNSHINE, AIR, WATER AND VEGETATION ON THE PLANET, THERE WOULD BE NO LIFE ON IT. THE EARTH AND ITS RESOURCES ARE NATURE'S BOUNTIES. WE MUST PROTECT THESE BOUNTIES OTHERWISE LIFE WILL BE THREATENED. MAN AND ALL LIFE FORMS DEPEND ON THE EARTH AND ITS RESOURCES FOR SURVIVAL.

MAN'S ACTIVITIES, DRIVEN BY GREED AND SELFISHNESS, HAVE CAUSED DEGRADATION OF THE EARTH, AND ITS RESOURCES LIKE AIR AND WATER. AIR POLLUTION, WATER POLLUTION, LAND DEGRADATION AND DEFORESTATION HAVE BEEN CAUSED DUE TO MAN'S ACTIONS. WHEN LAND, AIR, WATER AND VEGETATION COME UNDER THREAT BY MAN'S ACTIVITIES, THE LIVES OF ALL LIFE FORMS INCLUDING MAN IS UNDER PERIL.

THE EARTH AND ITS RESOURCES CAN BE PROTECTED BY MAN. EVERY LITTLE EFFORT ON OUR PART TO SAVE THE EARTH AND ITS ENVIRONMENT CAN MAKE A DIFFERENCE. PLASTICS, FOR INSTANCE, ARE A SOURCE OF MAJOR ENVIRONMENTAL DEGRADATION. WE CAN TAKE LITTLE STEPS LIKE AVOIDING THE USE OF PLASTICS. FOR EXAMPLE, WE CAN AVOID USING PLASTIC WATER BOTTLES. WE CAN INSTEAD USE STEEL, GLASS OR CLAY BOTTLES TO CARRY OR STORE WATER.

SIMILARLY, WE CAN PLANT TREES IN OUR NEIGHBOURHOOD. TREES PLAY A MAJOR ROLE IN ECOLOGICAL BALANCE. BY PLANTING TREES WE CAN IMPROVE OUR ENVIRONMENT.

WE MUST ALSO SAVE WATER WHICH IS A PRECIOUS NATURAL RESOURCE. WE MUST ALSO AVOID POLLUTING WATER BODIES. WE MUST BE JUDICIOUS IN THE USE OF ALL NATURAL RESOURCES. WE CAN THUS SAVE THE EARTH.

AS PER UNESCO ABOUT 157 CRORE STUDENTS WERE AFFECTED WORLD WIDE DUE TO THE PANDEMIC, HOWEVER THERE ARE DIFFERENT STAGES WHERE THE IMPACT OF THE PANDEMIC AFFECTED EACH DIFFERENTLY.

A BRIEF INSIGHT INTO ALARMING SITUATION & ITS SUDDEN IMPACT ON EDUCATION. AS A COMMUNICABLE DISEASE WHICH ROSE RAPIDLY ON A BIG SCALE CLAIMING LIVES OF PEOPLE WAS SEEN AS A ALARMING THREAT. SO THE CASE WITH THE SCHOOL GOING STUDENTS WOULD BE MORE PRONE TO CATCH THE VIRUS DUE TO POOR IMMUNITY RISKING THE LIVES OF THEMSELVES & TO ADD RAPIDLY TRANSMITTING OF THE VIRUS. AS THE EDUCATIONAL INSTITUTIONS ARE ONE OF THE BIG HUBS OF SOCIAL GATHERING. THE AUTHORITIES FELT THE NEED TO IMMEDIATELY CLOSE ALL THE EDUCATIONAL INSTITUTIONS. THE FUTURE PLAN OF ACTION WAS STILL UNCLEAR TO THEM.

ALAS ! THE SOLUTION WAS DISCOVERED.

SINCE THE LOCKDOWN OF ALL THE INSTITUTIONS, THE AUTHORITIES FELT IF THE CLASSES COULD BE ORGANISED AT ONLINE PLATFORM. USING THE TOOLS AVAILABLE LIKE MEETING APPLICATIONS, ETC. TO SHARE THE LIVE TEACHING EXPERIENCE WITH STUDENTS EXPERIENCING THE CLASSROOM ATMOSPHERE & COMPLETION OF THE SYLLABUS, EVEN IF NOT ON TIME. THIS STEP TAKEN WAS A PARADIGM SHIFT IN THE PRESENT SYSTEM AT MOST OF THE PLACES. NOT TO FORGET THE IMPACT OF THIS DECISION HAD GOOD CONSEQUENCES AND BAD AS WELL.

THIS POLICY MAY REACH A LOT OF STUDENTS BUT STILL IT FAILED TO REACH MANY MORE DUE TO SEVERAL FACTORS SUCH AS AVAILABILITY OF TECHNOLOGY TO A STUDENT OF PRIMARY & SECONDARY SCHOOL WOULD BE WAY LESS AS COMPARED TO A HIGH SCHOOL ONE , INTERNET CONNECTION IS A BIG CHALLENGE TO REACH IN REMOTE AREAS AND ISLANDS THROUGHOUT THE WORLD

THE MINDSET OF THE GENERAL PUBLIC HAS TO ACCEPT THE MEANS OF DIGITAL EDUCATION WOULD BE AS EQUALLY IMPORTANT TO OFFLINE EDUCATION. THE ONLINE EDUCATION IN THE MOST EFFECTIVE MANNER , THAT INculcates A CLASSROOM LIKE OR ONE TO ONE INTERACTION

LIKE ATMOSPHERE HAS BEEN INTRODUCED ROUND THE GLOBE. ENABLING A POSSIBILITY OF DIGITAL EDUCATION WHEN NOT OFFLINE

#### A WAY AHEAD !

DESPITE ENORMOUS ATTEMPTS BY THE AUTHORITIES TO CARRY FORWARD THE EDUCATION, THERE WERE MANY DIFFICULTIES ARISING IN THE PROCESS. WE BELIEVE JUST THE WAY CLASSES WERE ORGANISED ONLINE AND THE ENTRANCE EXAMS HAD AN ONLINE PLATFORM EARLIER, WE COULD USE THIS ALTERNATIVE.

HOWEVER MAKING DIGITAL EDUCATION AN ALTERNATIVE FOR THE OFFLINE, WOULD INCREASE THE EFFICIENCIES IF THE RIGHT EFFORTS ARE MADE !

**IMPACT OF COVID -19 ON THE WORLD IN TERMS OF FUTURE OF EDUCATIONAL SYSTEM.**

How do you keep so happy?

I got this DM a few weeks ago and have carried around a guilt ever since. So I need to say this:  
we all know we're all liars (curators) on here, and it's slowly driving all of us mad, me for sure.

My lying (curation) began years ago— a decade ago and it's now second nature to whip my phone out when anything beautiful, exciting, cute, special happens. that'd be fine, ofcourse, if I were also posting selfies while crying at therapy, or while burning out at clg because of deep impostor syndrome, or while standing in front of the mirror and wishing I looked any other way.  
but nope, I'm a goddamn pro at curation.  
we'll are. good hair days, good outfit days, good outing days.

This message made me feel guilty because I've spent the last few years trying to get a handle on my mental health and simultaneously, here's someone asking how I "keep so happy".  
the curation has gone too far if I've made someone feel the way social media makes me feel.

I know you feel it too— you're having a good day, you're at peace, you've done things you care about, talked to people you love, you feel valuable and you feel valued.. then you open up Instagram, browse a few stories, and boom. Your life is dull now. suddenly, you're restless and anxious because you haven't socialised enough, or traveled enough, or eaten a photogenic meal in the last 24 hours.

Your outfit isn't trendy enough, your relationship isn't cute enough,  
your weekend isn't lit enough. you start scrambling to find something enviable to broadcast but you're left feeling empty even though it was all enough, it was all perfect, just a second ago. I feel that feeling atleast 10 times a week.

So maybe let's try to curate less for each other's sake?  
I'll start trying- it is a decade long habit so I know it's gonna be a toughie but I'll try. and in the meantime, if I've ever been that story that made you feel like your life - your authentic, unphotogenic, messy life – is not enough, I'm so sorry. it's enough. it's perfect.

# HOW DO YOU KEEP SO HAPPY?

HARDWORK IS THE MOST IMPORTANT KEY TO SUCCESS IN ONE'S LIFE. HARD WORK IS DIRECTLY PROPORTIONAL IN THE SENSE IF WE WORK HARDER THEN WE WILL BE MORE SUCCESS IN LIFE.

THE EXAMPLES FOR HARD WORK ARE:-

1. THOMAS ELVA EDISON: WE ALL KNOW ABOUT HIM. HE WORKED 21 HOURS IN A DAY AND HE SLEPT ONLY 2-3 HOURS A DAY. HE INVENTED A BULB BUT FIRSTLY HE FAILED TO DO THIS BUT HE WORKED HARD AND WAS FINALLY SUCCESSFUL.
2. NICK VUJICIC: HE IS A MOTIVATIONAL SPEAKER. HE WAS BORN WITHOUT ARMS AND LEGS BUT HE WAS A FAMOUS SURFER. HIS HARD WORK MADE HIM SUCCESSFUL.
3. KARNAM MALLESHWARI: SHE IS A FAMOUS WEIGHT-LIFTER. SHE WAS THE FIRST INDIAN WOMEN TO WIN A MEDAL.

THE ABOVE PEOPLE DID MORE HARD WORK TO BE SUCCESSFUL IN THEIR LIVES.  
HARD WORK + DREAM + DEDICATION =  
SUCCESS  
SO DO WORK HARD TO BE SUCCESSFUL IN LIFE.

FRIENDSHIP

FRIEND IS NOT A BIG THING,  
IT'S A MILLION LITTLE THINGS.  
FRIENDS ARE CONNECTED HEART TO  
HEART DISTANCE AND TIME CAN'T  
BREAK THEM APART.  
DOSTI MAE DOST, DOST KA KHUDA  
HOTA HAI.  
MAHSUS TAB HOTA HAI JAB JUDA  
HOTA HAI.

F = FIELD OF LOVE  
R = ROOT OF JOY  
I = ISLAND OF GOD  
E = END OF SORROW  
N = NAME OF HOPE  
D = DOOR OF UNDERSTANDING

FRIENDSHIP IS NOT ABOUT WHOM  
YOU HAVE KNOW THE LONGEST ;  
IT IS ABOUT WHO CAME AND NEVER  
LEFT YOUR SIDE..

# FRIENDSHIP

Friendship is not a luxury , it is spiritual opportunity that defines our character . As it develops , we grow in grace , we learn to love and to care , we learn to give and to receive true friendship involves doing something good for each other and sharing thoughts and feelings without fear of judgement or negative criticism . Trust is essential to true friendship . We all need someone with whom we can share our lives thoughts , feelings and frustrations . We need to be able to share our deepest secrets with someone , without worrying that those secrets will end up becoming public knowledge . True friendship requires certain accountability factors . Real friends encourage one another and forgive one another when there has been an offense . If we sometimes offend a friend without meaning to , in a spirit of gentleness , we can apologize . Saying "I am sorry that , I have hurt your feelings ." paves the way to restore peace in our friendships .

\*Silences are never awkward

\*Always keep your secrets

\*They never judge you

\*you don't need to talk to each other every day to know you are there for each other.

\* They never gossips about you behind your back

\*You can go on vacation with each other without falling out

\*You have private jokes only the two of you find funny

\*You would happily money to each other and not expect to see it back .

## **Is it only me who believes that smell brings back memories?**

Those days when mornings started with the  
smell of mumma making lunch box for school  
Or the smell of green grass that surrounded the  
muddy pools.

Hands in hands narrating stories  
That smell of story books we read aloud in glory.  
When there were playgrounds full of friends and  
the smell of flowers would never end.

Evenings came with utter joy  
The smell of daddy returning back from work  
with snacks and toys.

When sleeping early was what you never had to  
decide,

And the smell of the hairoil that mom forcefully  
applied.

Smell is in a word white memory  
A nose's way of remembering joy,  
That smells of the nostalgic sky smelling  
jasmines

And when the only thing that could go wrong  
were broken toys.

## **Parents**

When you feel like breaking down or crashing in,  
Who do you turn to, to forgive your sin?  
When you cried your lonely tears,  
Who will be there to fight your fears?  
And when it feels like no one would understand,  
Who was there to hold your hand?

There are people whom you can't replace,  
They're the ones who gave you your face.  
They'll love you through thick and thin,  
They show you the light from deep within.  
And if by chance you happen to die,  
They'll be the ones who will really cry.

You see, my friend, there's no one who can love  
you more  
Than your very own parents, that's for sure.  
Always remember this is true,  
That where ever you go, your parents will be there  
for you.

Dheere Dheere sae meri  
jindigi mae ana

Atae atae kuch khanae ko  
bhi leke aana

Pyar toh humae bhi karna  
tha

Par kuch khas nhi hua,  
TAJMAHAL toh hamae bhi  
banana tha

Par afsos ki loan pass nahi  
hua.

Apki yaad mae mera dil  
kuch iss tarah kho jata hai  
jaisae maths ki class mae  
koi bacha so jatha hai.

Dusron ki jindigi me pyar aur  
mothabath aathi hei  
mere jindagi mae sirf exams hi  
aate hei

Kisi ko ishq hua toh  
kisi ko pyaar hua,  
Hume to jab bhi hua  
sirf Bukhar hua.

Kisi kae ghar khali  
haath nahi jaana  
chahiya ,  
isliyae mai apna  
charger sath lekar hi  
jata hu.

PAPA: Sharma ji ki beti  
ko dekho first aayi hai  
ME: aur kitna dekhu  
usko dekh dekh kar he  
fail hua hu .

# THANKYOU

We would like to thank everyone involved in making the first edition of our e-magazine a success. Cheers to all the participants who have taken time to work on their submissions and gave their best work. The editorial board has worked really hard in making this E-magazine and we will continue to do so.

We hope that even more people participate and submit their awesome works in the forthcoming editions of the E-magazine as well.
